

eMotion

If you are looking for more functionality with basic built-in analytical features included, then eMotion is the right choice for you. It is the first mono-server version allowing for unlimited number of user profiles and that's not all: it is expandable and scalable according to your needs so you can add various options like license plate recognition (LPR), privacy zones, and include Artec Everywhere to remotely activate your I/O devices right from your software client. Moreover, you can add plugins to quickly check the alarms coming from any Contact ID intrusion device, or add an LPR license to detect license plates of vehicles on the premises.

- Single Server Management
- Unlimited Simultaneous Connections
- Unlimited User Accounts
- ONVIF & RTSP compatible
- Supports H.264, M-jpeg, Mpeg-4
- eMotion Analytics (basic filters)
- Record data 24/7 on local and network storage
- Access locally and remotely with Artec Logic Next®, Web Browser and Smartphone
- Watermarking (Certification integrity of recorded images)
- PTZ control: Manual or Automatic (programmable presets and sequences)
- 3 user levels with different rights: Administrator, Power User, User

Optionals: Privacy Zones, Virtual Machine, LPR (License Plate Recognition), Artec Everywhere, Multi-server Centralization, Camera selection, User Policies definition, Virtual I/O, Maps Supervisor, 3rd party software plugin

FREE
Server License

System Requirements

Hardware

- Intel® Core i3® or higher
- Intel® Xeon® 3.0 GHz, 2 MB Cache, 800 MHz FSB or higher
- 2GB of RAM or higher
- 1x Gigabit Ethernet Network Interface Card

OS

- Microsoft® Windows XP Pro SP3 32-bit/64-bit
- Microsoft® Windows Vista SP1 Business or Ultimate 32-bit/64-bit
- Microsoft® Windows 7 Professional or Ultimate 32-bit/64-bit
- Microsoft® Windows 8.0/8.1 Professional or Enterprise 32-bit/64-bit
- Microsoft® Windows Server® 2003 Standard/Enterprise Edition SP1/SP2/R2 32-bit/64-bit
- Microsoft® Windows Server® 2008 Standard/Enterprise Edition SP2 32-bit/64-bit • Microsoft® Windows Server® 2008 Standard/Enterprise Edition R2 64-bit

- Microsoft® Windows Server® 2012 Standard Edition R2 64-bit

Mobile OS (for Mobile Apps)

- Apple® iOS 5.1 or higher
- Android™ 4.0.3 (Ice Cream Sandwich) or higher

Browsers (for Web Clients)

- Internet Explorer®7, 8, 9, 10, 11
- Google Chrome™ 15.0 or higher
- Firefox® 17.0 or higher
- Safari® 5.0 or higher

Virtualization

- VMWare ESXi 5.1
- VM Player 6.0 (Free)
